BIRD work plan proposal		2018												2019											
		01	02	03	04	05	06	07	08	09	10	11	12	01	02	03	04	05	06	07	08	09	10	11	12
WS	Workstream on data modelling																								
	Workstream on testing the BIRD documentation																								
Development/Maintenace	FinRep (Annex III, IV "FINREP", tempaltes F01-																								
	CoRep Credit risk (Annex I "Solvency", templates C7-C16) Standard approach - excluding securitisation																								
	CoRep Credit risk (Annex I "Solvency", templates C7-C16) IRB (foundation and advanced)- - excluding securitisation																								
	CoRep Credit risk maintenance																								
	CoRep Market risk (Annex I "Solvency", tempaltes C18-C25) excluding securitisation - excluding securitisation																								
	CoRep Market risk maintenance																								
	CoRep capital adequacy (Annex I "Solvency", templates C1-C4) (To be discussed at next BIRD-SG)																								
	CoRep capital adequacy Maintenance																								
	Resolution planning (Annex ? "Resolution Planning", templates R1-R10)																								
	Resolution planning maintenance																								
	Liquidity coverage ratio (Annex XXIV "LCR", templates C72-C76)																								
	Liquidity coverage ratio maintenance																								
	Additional monitoring metrics for liquidity (Annex XVIII "AMM templates", templates C67-C70)																								
	Additional monitoring metrics for liquidity maintenance																								
	Asset encumbrance (Annex XVI "Asset Encumbrance", templates F32-F36)																								
	Asset encumbrance maintenance																								
	Leverage (Annex X "Leverage", templates C40-C47)																								
	Leverage maintenance																								
	BSI/MIR																								
	BSI/MIR maintenance																								
Maintenance of existing frameworks	SHSG maintenance																								
	AnaCredit maintenance																								
	FinRep maintenance
