main evaluation criteria:

1. candidate's experience and expertise (reference projects) (75 %);

The scoring system for each criterion applies an assessment scale from 0 to 4 points maximum. In the evaluation process, the score (0–4 points) is multiplied by the base unit for each criterion. The tenderer's total score results from adding up the scores for the individual criteria. The minimum requirement of 3 000 points out of 10 000 points must be met.

The complete scoring matrix is enclosed with the application form.

The evaluation will be based solely on the submitted documents (application form and appendices).

The Decisions were published in the Official Journal of the European Union (OJ L 184 of 14.7.2007, p. 34; OJ L 51 of 24.2.2009, p. 10; OJ L 238 of 9.9.2010, p. 14; OJ L 178 of 10.7.2012, p. 14) and are available on the ECB website at <http://www.ecb.europa.eu> (link 'for suppliers').

Notification duty:

should candidates or tenderers believe that the ECB's requirements stipulated in the contract notice, call for competition or additional documents are incomplete, inconsistent or illegal, or that the ECB or another candidate/tenderer has breached the prevailing procurement rules, they must notify the ECB within 15 days (see Article 21(2) of the ECB procurement rules). Objections not notified to the ECB within this deadline cannot be raised at a later date.

Subcontracting:

candidates may rely on the capacities of other entities as subcontractors, in particular with regard to their technical capacity (see section III.2.3). No specific legal relationship is required. The candidate must prove, however, that he will have the necessary resources at his disposal, for example, by providing a binding undertaking from the subcontractor.

The use of subcontractors does not limit the candidate's responsibility and liability for due performance of all the contractual obligations. The ECB reserves the right to refuse any subcontractor on the basis of the principles of transparency, equal access, publicity and equal treatment. Prior approval from the ECB will be required for both replacing a subcontractor and subcontracting additional major works for the entire duration of the contract.

Exclusion from the tender procedure:

the ECB may, at its own discretion, exclude applicants from the tender procedure who do not comply with the requirements and conditions set out in the application form and contract notice, or do not provide the information requested.

Cancellation of the tender procedure:

the ECB reserves the right to cancel all or part of the tender procedure. This decision will take into account the principles of transparency, equal access, publicity and equal treatment.

Liability and compensation:

the ECB is not liable for any costs, nor will it reimburse any expenses or losses which candidates incur or suffer in connection with the tender procedure, including in the event of a cancellation.
