II.1.4) Short description:

A sound management of risks is paramount for the fulfilment of the ECB's mandate. The ECB's directorate risk management (DRM) is responsible for protecting the Eurosystem against financial risks in the conduct of its monetary policy operations and the ECB in its investment operations.

The ECB is looking for a supplier that provides the following services:

— Lot 1: Performing assignments upon request from D/risk management; such assignments will be related to the implementation, process optimisation or enhancements to the ECB's ongoing due diligence activities in the

context of the Eurosystem's purchase programmes as well as similar programmes which could be considered in the future, covering mainly ABSs, covered bonds and corporates;

— Lot 2: Development and management of models and tools related to financial risk management.
