

**EUROPEAN CENTRAL BANK**

DG MARKET OPERATIONS

10 May 2006

**Money Market Contact Group**

Helsinki, Wednesday 17 May 2006, 16:00 – 19:00

**AGENDA**

**1. Comparison of internal organisation of banks' money market management – Final part**

Jean Michel Meyer and Patrick Chauvet will provide a short presentation of their organisations. Pier Mario Satta will present the draft summary report, including the latest findings from the supplemental questionnaire on the organisation of collateral management activities.

**2. Round up on market developments during the last few months**

Ralph Weidenfeller will review the main developments in the euro money market since the last meeting, followed by the usual discussion.

**3. Prime brokerage**

Mark Dearlove will present the concept of prime brokerage, also shedding some light on the risks that this new service might bring about.

**4. Latest developments regarding the eligibility of bank loans**

Paul Mercier will update the members on the latest developments regarding the eligibility of bank loans as collateral for ECB operations.

**5. Other items**

Ralph Weidenfeller will raise a couple of smaller issues.
