# Work Plan

## Task Force on Future RTGS Services

Task Force on Future RTGS Services

1<sup>st</sup> meeting on 07 December 2016

## Task Force composition and organisation

- The Task Force members are coming from
  - The Eurosystem central banks
  - The non-euro central banks considering using RTGS multi-currency services
  - TARGET2 users (i.e. payment banks and ancillary systems)
  - A representative from the service providing central banks
- The Task Force meets regularly until the finalisation of the User Requirements Document v1.0
- For the optimisation of the members participation
  - The topics relevant for ancillary systems will be consolidated to January and February Task Force meetings
  - The topics relevant only to central banks will be discussed first in dedicated workshops in January and April with central banks only
