- 1 Pilot Testing Composition
- 2 Proposed Pilot Testing Timeline**
- 3 Pilot Certification
- 4 Pilot Certification Test Composition

- 1 Pilot Testing Composition
- 2 Proposed Pilot Testing Timeline
- 3 Pilot Certification**
- 4 Pilot Certification Test Composition

- To ensure users are technically, functionally and operationally ready to join TIPS
- Central Banks and Instructing Parties will perform the tests and send the evidence to the Eurosystem who will verify the results
- A certificate will then be issued
- Pilot testers are asked to prioritise the certification tests and complete them within the defined certification testing period

- 1 Pilot Testing Composition
- 2 Proposed Pilot Testing Timeline
- 3 Pilot Certification
- 4 Pilot Certification Test Composition**
