

ppi

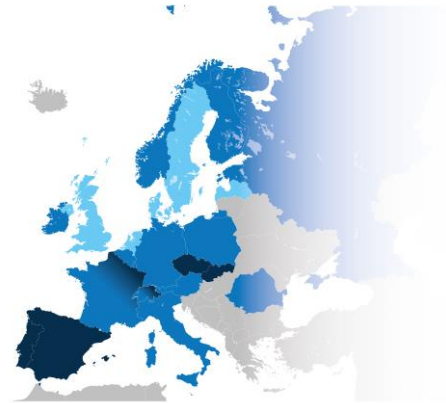

**Ready for takeoff?
Instant Payments easy & on the fly!**

#TIPSapp event

Industries and key areas

Our customers

Value chain without breaks

Our seamless value chain covers everything – from ideas to concrete solutions.

Customers come first

Our customers are our most important stakeholders. As a family business, we follow a long-term approach.

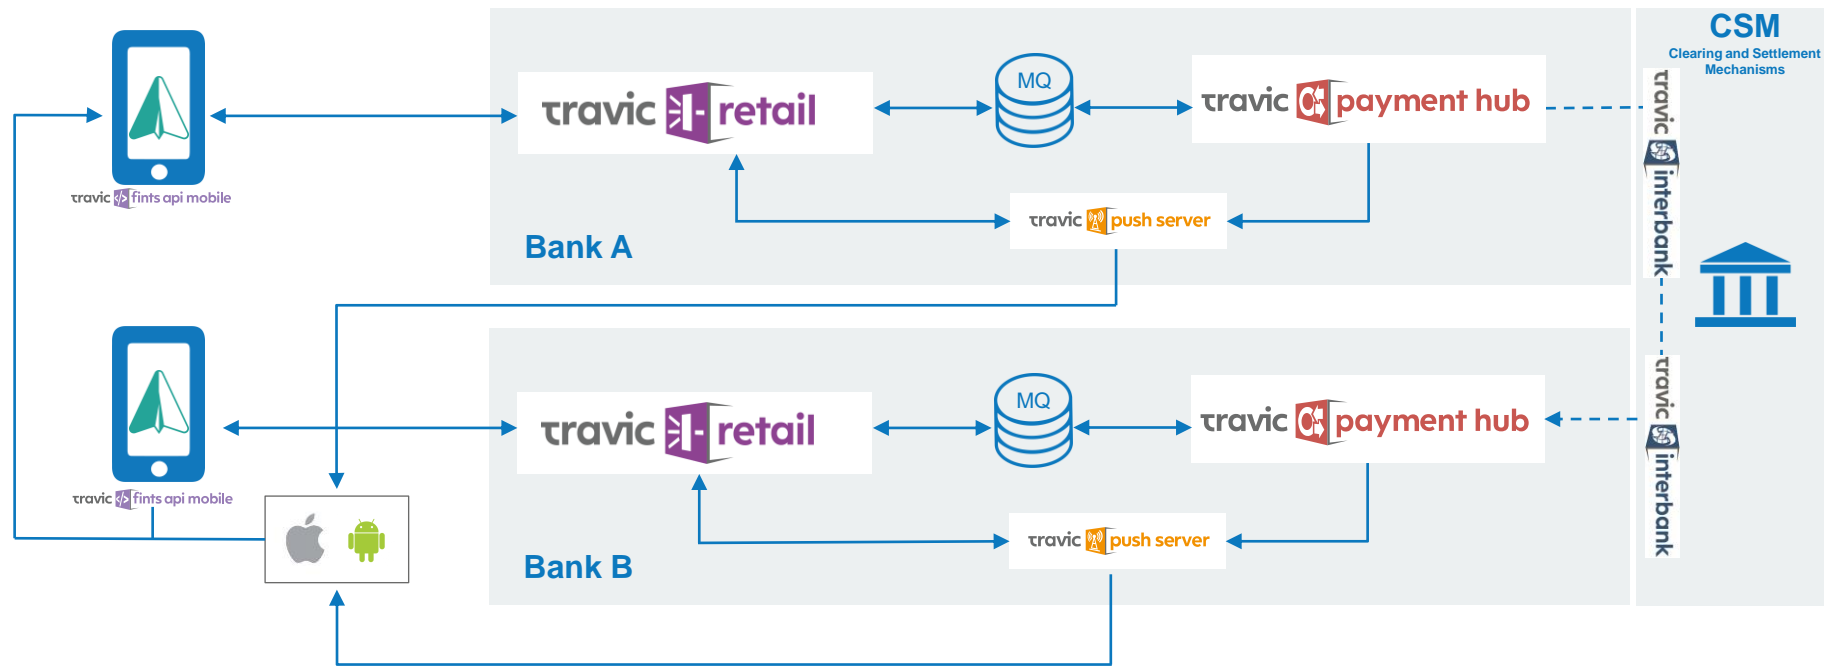

PPI connects

We strive to connect, not separate. As business experts, we transform business aspects to IT.

Meeting the end user

Development of an Instant Payments app for smartphones

Send / request money (including QR-Code Support)

Multibank capability - Overall account details

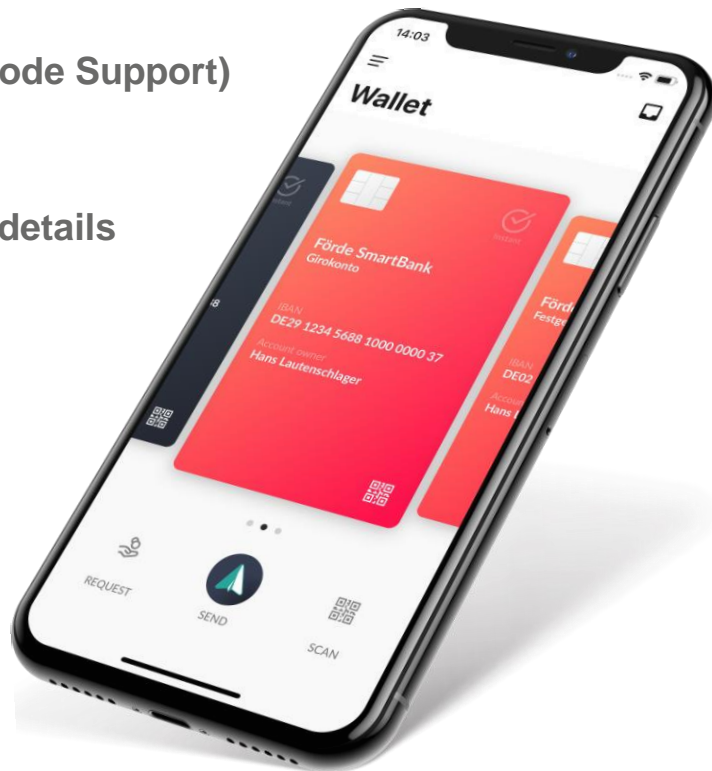

Push service notification

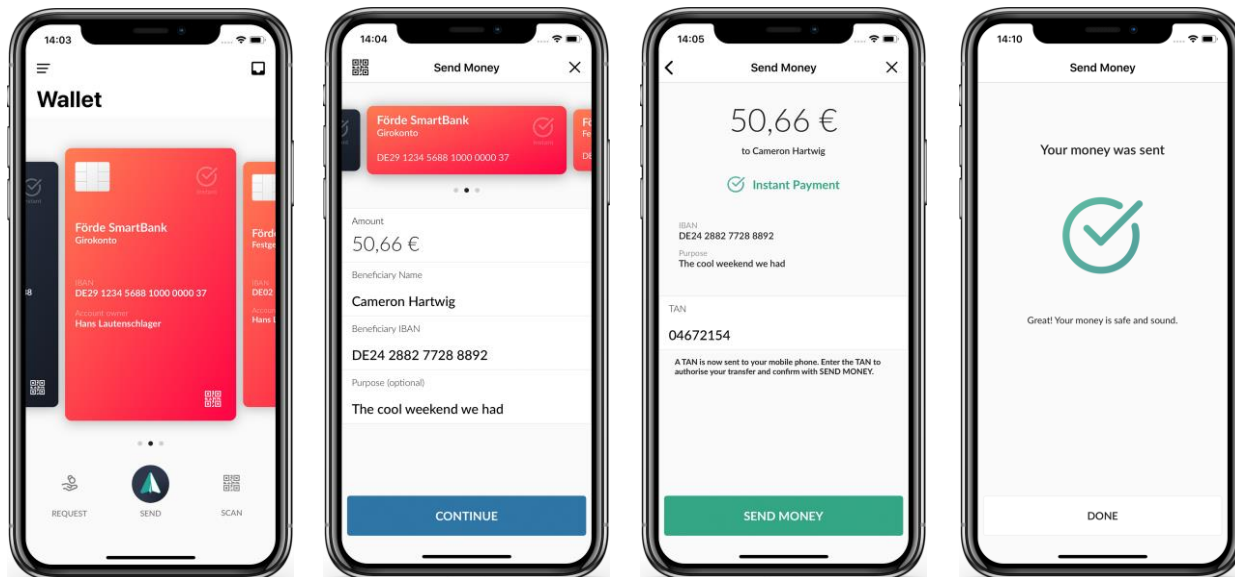

High security standard

White label solution for your brand

Feel the speed of future payments!

Thank You
